

# Join Us

for a day, a weekend, a week,  
or the whole amazing

## ADVENTURE!

We're a wildly pink trail ride raising money  
toward a cure for breast cancer.

Come ride during the day, camp at night  
and be entertained every evening.

Join us for the ride. Leave with  
tremendous memories.

This is the most fun you'll have  
with your horse  
in the Fall of 2011!

On the trail to a cure.
